Information Disclosure Statement

It is noted that copies of pages from the numerous previously considered IDS are provided in the instant Office action. Many of the references cited, and previously initialed as considered, have been discovered to be missing a date and therefore do not meet the criteria required by 37 CFR 1.98. The instant copies of the initialed 1449's include several references that have been lined-through to indicate they were not considered in view of their lacking a date.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: claims 1-147 have been canceled as being directed to an invention non-elected without traverse.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: applicant's acceptable terminal disclaimer has obviated the double patenting issues and placed the application in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Peffley whose telephone number is (571) 272-4770. The examiner can normally be reached on Mon-Fri from 6am-3pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda Dvorak can be reached on (571) 272-4764. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
